After Bathing.

After Bathing.

There is nothing comparable to "GLENN'S SULPHUE SOAP" as a means of removing the roughness of the skin consequent upon sait water bathing. A complexion dazzling as that of the fablet Venus, as depicted rising from the sea, is produced by the use of this beautinated in all respects appearing to the daugerous toilet powders, foreign and domestic. It is literally as harmless as dew. Beware of counterfeits. See that C. N. Chittenston, Proprietor," is printed on each packet, without which none is genuine. Sold by droggists at 25 cents; three cukes, 60 cents. The claims of "Hill.'s Instantaneous Hair Dye" to the approbation of all who need such an article are equally undeniable. And as regards the price, the advantage of cheapness is added to the other claims of the dye. *
